Re: No. M/045/037
Morton Int'l., Inc.
Morton Salt Division
Grantsville Oper.
Tooele County, Utah

To whom it may concern:

This is not intended to be a protest, but, rather
a statement of concern:

I own acreage in sections 35 and 26 in Township 1 North
Range 6 West, that runs along the north side, parallel
to the Salt Company's canal.

I am concerned that seepage of the salt water, when
and if it happens, will kill the soil and any exist-
ing vegetation.

What are the Salt Company's plans for prevention,
and/or reclamation if it does happen?

Sincerely,

Don C. Worthington
